PROFESSIONAL SUMMARY

Full Stack Developer skilled in HTML, CSS, JavaScript, Node.js, Express.js, and MongoDB, with hands-on experience building responsive web applications and backend systems. Experienced in developing RESTful APIs, implementing authentication and CRUD operations, and working with database-driven applications. Strong problem-solving and analytical skills with a focus on building practical, user-friendly, and scalable software solutions.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML5, CSS3

Backend: Node.js, Express.js, REST APIs

Databases: MongoDB, Mongoose

Tools & Concepts: Git, GitHub, Linux, CRUD, Authentication, API Integration, JSON, Basic Networking

PROJECTS

College Complaint Report System

Tech Stack: Node.js, Express.js, MongoDB, HTML, CSS, JavaScript

- Built a full-stack complaint management system with secure authentication and a role-based admin dashboard, streamlining complaint tracking for institutional users.
- Designed and implemented RESTful APIs following MVC architecture, enabling clean separation of business logic and data access layers.
- Optimized MongoDB database interactions for scalable performance, ensuring efficient CRUD operations under growing data volumes.

Appspector - Python Application Monitoring System

Tech Stack: Python, System Monitoring, Modular Programming

- Developed a Python-based system monitoring application to track and display real-time running processes, improving visibility into application-level performance.
- Automated generation of system health and performance reports using Python, reducing manual effort required for routine diagnostics.
- Applied modular programming principles to structure the codebase for maintainability, scalability, and ease of future feature additions.

EDUCATION

Sant Rawool Maharaj Mahavidyalay - University of Mumbai

Master of Science in Information Technology

Kudal, Maharashtra

Currently Pursuing

Sant Rawool Maharaj Mahavidyalay - University of Mumbai

Bachelor of Science in Computer Science (CGPA: 7.22/10)

Kudal, Maharashtra

2023 - 2026
